

A COMPREHENSIVE EAST COAST UNIVERSITY

Conveniently situated between Boston and Washington, D.C., Lehigh University is located in historic Bethlehem, Pennsylvania, within the thriving economic and cultural corridor of the eastern United States.

The university is located near several major highways, within walking distance of commercial bus transportation and minutes from Lehigh Valley International Airport, making it easily accessible to all major cities on the East Coast including Philadelphia (50 miles south) and New York City (90 miles northeast).

Bethlehem is an ethnically diverse community of over 70,000, which is part of the Lehigh Valley, where three-quarters of a million people enjoy a variety of cultural and entertainment events.
