

# “A Fulbright Year in Africa”

## Professor Ed Kay

Computer Science and Engineering  
Lehigh University

**Tuesday, September 6<sup>th</sup>**  
**4:00 pm, Packard Lab 466**

Refreshments served starting at 3:30 pm in lobby of Packard Lab

Having just returned from a year of teaching computer science at Ashesi University College, Accra, Ghana, Professor Kay will answer questions about what it is like to live and teach in Africa.
