ALUMNI TRAVEL

Dear Alumni & Friends:

We are pleased to sponsor VILLAGE LIFE IN DORDOGNE, a unique opportunity to experience the authentic character of the historic villages in France's picturesque southwestern region of Dordogne. This itinerary, one of the highly successful and innovative travel programs in the VILLAGE LIFE series, is ideal for exploring Dordogne's prehistoric caves, medieval castles and charming village squares, and for coming to know its peoples' traditional culture and way of life.

In the heart of Dordogne, all of France's provincial charms have been distilled in one of Europe's most beautiful and intact medieval villages, Sarlat-la-Canéda. Here, for one full week among the village's 14th-century cobblestone streets, delightful cafés and traditional market, you will experience the rich culture, fascinating history and rhythms of daily life in Dordogne while enjoying accommodations in the family-owned *Hôtel de la Madeleine*. Combining traditional provincial ambiance with modern amenities, this charming hotel is located in a century-old building in the heart of Sarlat-la-Canéda and is known for its warm hospitality.

Among the many features of this travel program is the unique VILLAGE FORUM, where an intimate discussion will reveal candid insights into daily life in the villages of Dordogne. To further enhance your understanding and appreciation of the culture and history of southwestern France, we have specially arranged guided excursions to the region's most important landmarks including the legendary shrines of Rocamadour, the prehistoric drawings of Rouffignac Cave and the medieval Castle of Beynac. Additional exclusive features include a series of enriching lectures and opportunities to savor regional specialties at daily meals.

This **exceptional value**, the convenience of unpacking once and a great destination come together to create a truly unique travel program and opportunity. VILLAGE LIFE IN DORDOGNE continues to be very popular and has sold out quickly in the past, so we encourage you to join other alumni and friends and make your reservation today!

*I believe that this  
great peaceful region of  
France will always be a  
sacred spot for man.*

The charming, family-owned *Hôtel de la Madeleine* has been specially selected for this program for its warm hospitality, individually appointed accommodations, personal service and authentic regional cuisine prepared daily by one of the area's finest chefs.

**Unpack once!** This exceptional travel opportunity includes all accommodations, meals and exclusively arranged excursions for an incredibly attractive price. Come experience a special way of life: VILLAGE LIFE IN DORDOGNE.

## SARLAT-LA-CANÉDA

Author Henry Miller called Sarlat “the Frenchman’s paradise.” Your charming village home for seven nights is the pre-revolutionary capital of Périgord Noir, a lushly forested corner of the region of Aquitaine embraced by the Dordogne and Vézère rivers. It is a gastronome’s dream, renowned for its foie gras, truffles, wild mushrooms, strawberries, walnuts and duck, and is close enough to Bordeaux to receive the finest vintages straight from the vintners’ cellars.

Sarlat is a historical monument with one of the greatest concentrations of medieval, Renaissance and 17th-century façades in Europe. Step back in time as you meander through narrow cobblestone streets illuminated by gas lamps and lined with traditional Renaissance-style stone houses crowned with pepperpot chimneys. The heart of Sarlat is the Place de la Liberté, where every Wednesday and Saturday one of France’s most famous markets is held, a tradition dating from the Middle Ages.

## ROCAMADOUR

Built on the face of a sheer 492-foot cliff, this fortified 13th-century village has one of the most dramatic settings of any village in the world and was an important medieval pilgrimage site. Pilgrims flocked here from across Europe to perform penance by ascending the 216 steps of the Grand Stairway on their knees to pay homage to the Virgin Mary and seek miracles from St. Amadour. Just outside the Chapel of the Virgin Mary, set high into the cliff, is a sword said to be that of the heroic knight Roland.

## LES EYZIES-DE-TAYAC

Les Eyzies is France’s capital of prehistoric humanity, where unprecedented fossils of Cro-Magnon Man have been discovered.

Approximately 35,000 years old, these fossils constitute some of the earliest known evidence of modern humans in Europe. The area’s cave paintings, fossils and early tools are given context in the National Museum of Prehistory, housed in a 13th-century castle.

## GARDENS OF EYRIGNAC

On the ancient estate of the Manor of Eyrignac in the rolling hills northeast of Sarlat, discover what many consider the finest gardens in all of France. Originally designed as an Italian garden in the 18th century, the grounds were converted to an English-style romantic garden in the 19th century and have been immaculately preserved and enhanced through the years. Though they contain virtually no flowers, the gardens’ harmonious blend of evergreens—primarily box, hornbeam, cypress and yew—has been meticulously designed and landscaped to create a dazzling display of beauty. Designated a national monument by the French government, the Manor of

Eyrygnac has been inhabited and maintained by the same family for over 500 years and 22 generations.

### PREHISTORIC CAVE PAINTINGS

The picturesque landscape surrounding Sarlat-la-Canéda inspired the region's prehistoric inhabitants, whose vibrant depictions of nature and animals on the cave walls of Lascaux and Rouffignac have earned the caves the prestigious designation of UNESCO World Heritage sites. Approximately 15,000 years B.C., unknown artists created Lascaux, the "Sistine Chapel of Prehistory," where now-extinct aurochs, wild stallions and antelopes were rendered with exquisite beauty and skill. For preservation purposes, Lascaux II was created, a detailed replica of the cave using the same methods—magnesium dioxide blacks and iron oxide yellows and reds. In Rouffignac Cave, the "Cave of a Hundred Mammoths," five miles of caverns are covered in deft drawings of extinct beasts and can be explored by electric train. Nearby, at L'Abri du Cap-Blanc, Magdalenian-period (12,000 to 10,000 B.C.) camps and realistic, life-sized reliefs and sculptures of horses, bison and reindeer have been found.

### VILLAGES OF THE PÉRIGORD NOIR

St-Amand-de-Coly is one of the most unusual villages in Dordogne. Each of its picturesque lanes leads to the fortified 13th-century Abbey Church, built by Augustinian monks. Its ramparts and towers give it an appearance that resembles a fortress rather than a place of worship.

Carved under a rock overhang on a hill overlooking the picturesque Vézère River, the troglodyte settlement of La Madeleine-Tursac offers unique insight into the Magdalenian culture, which prevailed in southern Europe for more than 60 centuries from 15,000 to 9,000 B.C. The settlement itself comprises approximately 20 dwellings protected by a narrow fortified entrance, and probably accommodated 100 residents at a time.

### BEYNAC-ET-CAZENAC CASTLE

Overlooking the Dordogne Valley from a 300-foot cliff, the fortified village and castle of Beynac-et-Cazenac is a masterpiece of medieval military engineering that was once a stronghold of Richard the Lionheart. Make your way through its elaborate series of curtain walls, parapet walks, watchtowers and passageways to an impressive interior with a magnificent 17th-century staircase and delicate 15th-century frescoes of the *Last Supper* and the *Pietà*. Enjoy a private cruise on the tranquil Dordogne River aboard a traditional 19th-century *gabare* (barge) followed by a lunch of Périgord specialties in a restaurant overlooking the river.

### DOMME

Domme is a true medieval *bastide*, or fortified village, and is still entered through its monumental gate, flanked by stout limestone towers. Graffiti, etched by the Knights Templar in the 14th century, still flecks the inner walls, while inside the town, the ancient beauty of Domme's 13th- and 14th-century architecture is surpassed only by its exceptional views of the Dordogne River.

### BORDEAUX PRE-PROGRAM OPTION

We invite you to join the exclusive two-night Pre-Program Option in Bordeaux. An ancient port at the heart of the French wine trade, this delightful city is renowned for its elegant boulevards and classic 18th-century architecture, yet it remains largely undiscovered by Americans. Enjoy accommodations in *Hotel Burdigala*, located in the heart of the city. Visit the city's most important landmarks on the guided walking tour and set out on an excursion to Ecole du Vin de Bordeaux and the Graves wine region for an introduction to the art of French wine making and a tasting. Complete details will be provided with your reservation confirmation.

Experience Sarlat-la-Canéda's twice-weekly market, a medieval tradition in the heart of the village.

## HÔTEL DE LA MADELEINE, SARLAT-LA-CANÉDA

While enjoying the tranquil pace of VILLAGE LIFE IN DORDOGNE, you will truly feel at home during your seven nights in the family-owned *Hôtel de la Madeleine*. Converted from a 19th-century townhouse and steeped in provincial appeal, this charming property is ideally located just outside the ancient walls of the medieval quarter, a mere five-minute walk from the center of the village. In keeping with the hotel's original architecture and ambiance, each of the 39 guest rooms in the

intimate hotel is uniquely configured and individually furnished, and all feature private bathroom facilities, air conditioning, television and a minibar.

The hotel is owned by Philippe Melot, an accomplished chef who specializes in preparing delectable recipes drawn from the distinguished culinary heritage of the Périgord Noir region. He and his staff, many of whom have worked at the hotel for a generation, will make you feel like a member of the family through their warm hospitality, good humor and personal, attentive service. Breakfast and dinner are served daily.
